Description	Action by
<p>1. Opening by Chairman Chairman CE committee, Christophe Inglin (CI) opened the meeting and welcomed everyone. He also mentioned that when new members join, they are given an opportunity to introduce themselves, say who they are, what they do, and so that we get to know each other.</p>	
<p>2. New Members Presentation by First Solar Mr Antoine Wagschal, BD & Sales Manager, South-East Asia, First Solar, presented on their differentiated approach to PV module supply. He shared the company's background and capacity, integrated manufacturing process, thin film evolution, 0.30%/yr degradation warranty as well as their responsible solar SCM.</p>	
<p>3. New Members Presentation by Trina Solar Mr Henry Eu, Key account manager – APAC, Trina Solar, presented on their company's growth and the development of their solar module power over the years, the characteristics of their Vertex modules as well as floating PV locations such as lower Seletar and Tengoh reservoir.</p>	
<p>4. Presentation by Power Systems Consultants Mr Tri Le, Director of Business, Power Systems Consultants, shared emerging challenges and opportunities in electricity markets in energy transition towards net-zero as well global electricity market landscape.</p> <p>Opportunities in Asia especially Indonesia is plenty, however there are certain challenges include PPA structure not being clearly defined, lack of trustworthy and reliable long-term developers.</p> <p>Kavita brought up the possibility of organising Business mission to Indonesia with support from Enterprise Singapore, and asked members for their interest.</p>	
<p>5. Any other matters</p> <p>Kavita presented on the secretariat updates. She also shared about the sustainability alliance that SEAS signed with SGtech and SCCC. This will provide opportunities for training and members to collaborate with the members of the alliance associations. This will be expanded further to other associations as well.</p> <p>Mr David Koh (rep from SMBC) shared that they are welcoming new projects for financing between 10-20 million, in order to test new technology and as part of revised strategy of the bank.</p> <p><u>Next Meeting</u> March 2023</p>
